REPORT OF FOREST FIRE WARDEN

DANGER FROM FIRES IN WOODLANDS

Woodland litter, when dry, is highly inflammable and fires can quickly get out of control. We request your co-operation to control all fires so that lives and property may not be endangered or destroyed, and forests be kept green to furnish the natural beauty we all enjoy and to grow timber we will need.

WHAT IS "WOODLAND"?

The term "woodland" is defined by law to include, "cut-over land, slash and such other land as bears a sufficient amount of wood growth, wood, weeds, grass or other growth as to be likely to be burned over."

When in the woods, you are expected to exercise caution in the use of fire and to remember that

IT IS UNLAWFUL TO

Throw down lighted matches, cigarettes, or other burning substances from vehicles or otherwise.

Burn brush, rubbish, grass or other materials when the ground is not covered with snow, without written permission from the Forest Fire Warden.

Kindle a camp or cooking fire on land of another without permission from the owner or his agent.

Leave an open fire burning unattended.

Fail to report a forest or brush fire that is out of control.

VIOLATORS ARE SUBJECT TO THESE PENALTIES

Anyone letting a fire escape from control, whether or not he has a permit to kindle the fire, is liable for the costs of extinguishing the fire.

Anyone found guilty of dropping inflammable material in or near woodland shall be fined not more than \$25.

A person failing to report an uncontrolled brush or forest fire is liable to a fine of not more than \$10.

For kindling a fire in woodland of another without permission of the owner, or for kindling any fire without a permit when a permit is required, a person may be fined not more than \$200, or imprisoned 60 days.

DAMAGES

Every person who shall set fire on any land, that shall run upon the land of another, shall pay to the owner all damages done by such fire.

BE SURE — GET A PERMIT

Incinerators should be tight, with a close mesh screen, and be on clean ground.

Open fireplaces used to burn rubbish are classed as incinerators.

Always clean a space about any open fire to prevent its spread.

Never burn in dry, windy weather.

Have incinerators inspected by the Forest Fire Warden and get his written permit.

Number permits, 13; number fires, two; acreage burned, one acre.

WHITE MOUNTAINS REGION ASSOCIATION

Your Region Association has had in 1955 one of the most active years. Naturally, the highlight was the Presidential visit in June, and we were honored by taking a direct part in various phases of the planning which went on for months previous. Seldom has the limelight been so directly centered on the White Mountains in a national scale.

Through all the complications and confusion surrounding that planning, we somehow found time to carry on our normal schedule of work benefiting our towns. Much outside travel has carried the "message of the mountains" personally to Boston, Hartford, Springfield, New York and Philadelphia. Events such as a Guides' Show and a Women's Golf Tournament were promoted and brought gratifying publicity. Stories and pictures were placed in many publications, and thousands of publicity folders distributed, as well as direct mail answering of several thousand letters and cards with information.

Our annual 4-H contest continues to have heartening results in encouraging young people's efforts through this fine organization. Another standby, the real estate bulletin, has put property prospects in touch with property owners and realtors all over the region.

Is it all doing *you*, the taxpayer, any good? "Yes!" to that. We tracked down some of our mail inquiries in a random sample again this year. We found that out of *just this small sample* (500 letters and cards) we had 100 parties that spent just over \$17,000 in the Region! That represents over two and a half times the amount appropriated by all our towns last year. We're sure you would all be glad to invest \$1 to get back \$2.50, any day.

Naturally this income isn't the only total we brought in, as there are many, many more we have no way of tracing. But it does show this is big business. It means that these people are paying big sums of *tax* money that doesn't come out of *your* pockets. With your continued help we can ease the burden of the tax load in all towns, bringing outside money to help pay for state and local services that otherwise *you'd* have to finance.
